Thinking About Our Community (Village)

MIB IR2 MASTER PLAN

CREATIVE KIDS CHALLENGE

DEADLINE EXTENDED TO FRIDAY, JUNE 17TH, 2022

We are working on a IR2 Master Plan for the Musqueam Village and need to also hear from Musqueam youth members of what they envision for the future of IR2. The Master Plan will be a guide for where things like buildings, streets and open spaces will go, and what they look and feel like.

All winners will be announced on Saturday, June 18th, 2022 at the Community Design Workshop.

To win a \$100 gift card, you must be present at the Community Design Workshop - Open House on Saturday, June 18th, 2022! All participants are entered for a chance to win the \$50 gift cards.

The Community Design Workshop will take place from June 13-18, 2022, in the Musqueam Cultural Centre. All members and their families are encouraged to attend!

How to Enter:

Create an art piece (drawing, collage, photo or video) that tells us what you want to see in the Musqueam Village IR2!

Submit your art to:

team@mibmasterplan.com or drop off with receptionist at the Band Office

Please include:

Your Name and Age

Age Groups:

For each age group, there will be a draw for a \$100 gift card and a \$50 gift card of your choice!

- 5-8 Year olds
- 9-12 Year old
- 13-18 Year olds

Themes & Ideas:

- Play areas
- Transportation
- Types of homes
- Favorite activities
- Family traditions

What is a Master Plan?

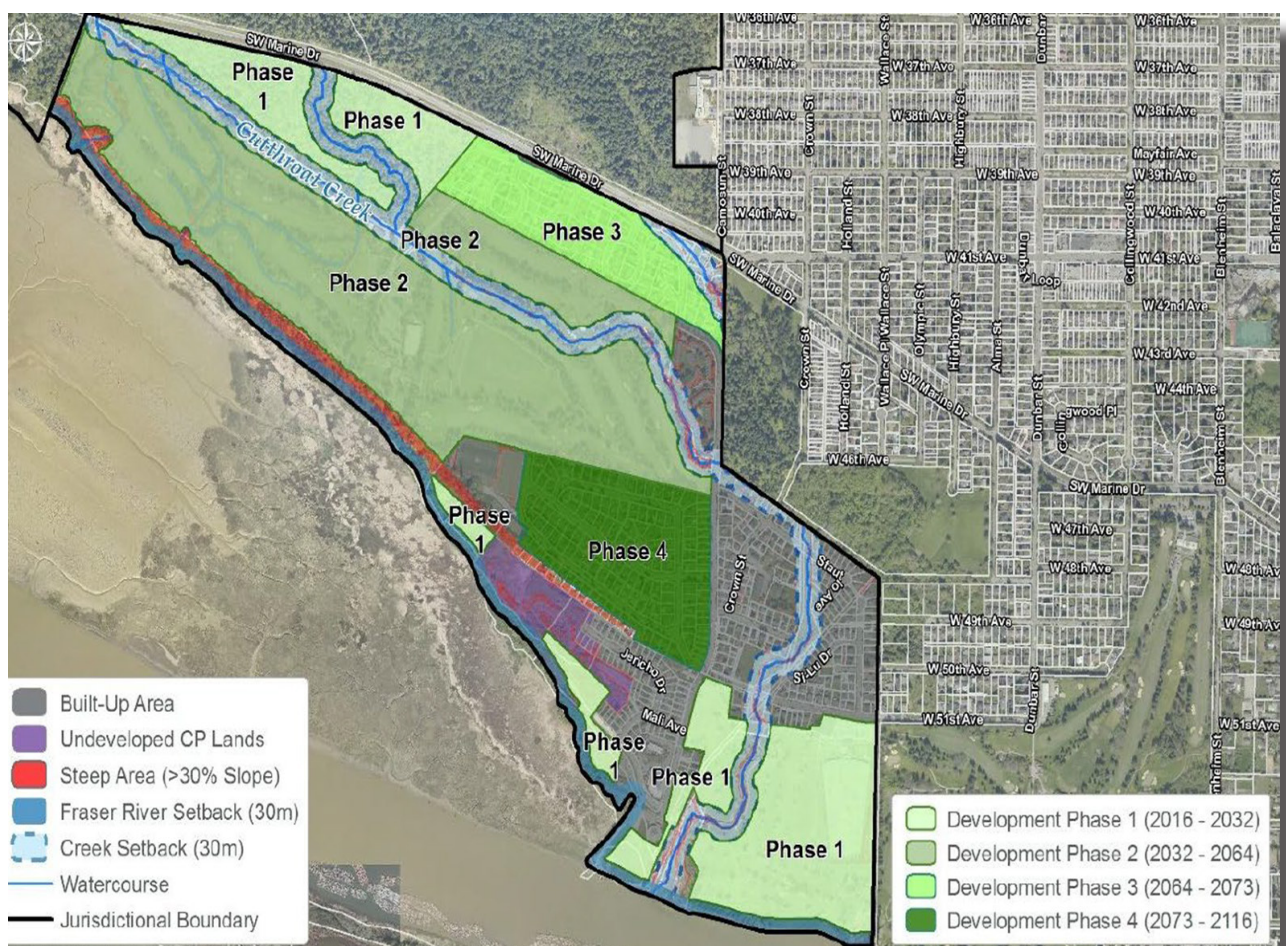

Simply put, this Master Plan will be the guiding document for our community's future.

This plan will be our long-range vision for organizing and planning the use, development, and/or preservation of our lands. It will be a community-driven site plan that preserves environmental and heritage assets, specifies land uses on specific parcels including housing, and assigns open spaces, streets, and community amenities to the entire site.

A Master Plan should be much more than a set of buildings on a map. It should also be a guiding document, informed by your ideas of what you want your community to look like. It should address how residents and visitors interact with each other, how comfortable you will feel in your community in both private spaces and public spaces, and how your community should grow over time.

More importantly, an enduring Master Plan will organize the built environment (buildings, homes, roads, infrastructure, green space, etc.) in a way that reflects x^wməθk^wəyám values, goals, culture, and history.

With your participation, suggestions, and ideas, together we can collectively arrive at a unified vision that will define your home for generations to come.

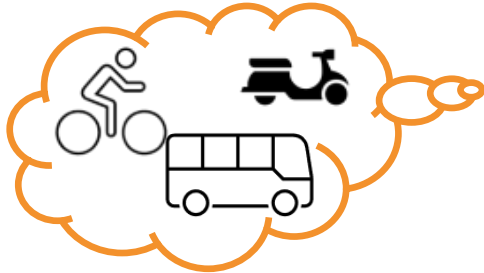

The Master Plan will include all phases but will focus on Phase 1 of the reserve, which includes Block K/ Triangle Lands and Musqueam Golf and Learning Academy. Please refer to the map above.

Questions & Ideas

Below are some questions and ideas to help get your creative artwork started.

What are some things we can do to make Musqueam Reserve 2 a better place for you and your friends and family?

- What would you like to see in your neighborhood?
- What makes a community feel safe?

How would you like to get around the reserve?

- Is it easy to get around the reserve?
- How do you want to get to school and other activities?
- Do you like using active transportation like biking, skating, walking or running?
- Do you want some form of community transportation like a shuttle?
- Do you want to be able to get to public transportation easily?

What types of homes do you want to see on reserve?

At the December Family Dinner, we heard many members talk about various types of housing, like townhouses or apartments. We also heard about having more options for those that need accessible options – for example, homes with no stairs for those who might find that challenging. We also heard that we should think about homes for students and young people, elders, and those that might need temporary homes.

- What does your dream home look like?
- What is it close to?

What are some activities or services you would like to see on reserve? Where on reserve would you like to see these? Close to homes? At Block K along Marine Drive?

- Places like grocery stores, shops, restaurants, coffee shops
- Places you or your family could work at
- Spaces to run a business from
- Community services like daycares or gym spaces
- Health services- clinics, dentist, counselling services
- Recreation spaces

What types of outdoor spaces do you want to see?

- Quiet spaces? Active spaces?
- A playground? Skate park? Ball courts? Splash park? Cultural story spaces?
- A community garden? Spaces to grow and harvest food?

HOW TO STAY INFORMED

Visit www.MIBMasterPlan.com

Email team@MIBMasterPlan.com to be added to the contact list

Join the MIB Master Plan Facebook group for updates

Attend upcoming community engagement sessions

Attend the Upcoming Community Design Workshop: June 13-18, 2022 Musqueam Cultural Centre - 4000 Musqueam Ave

While there are many ways for you to participate, below are three main community presentations that you don't want to miss! Plus there will be door prizes, including gift cards, a new TV, a brand new Apple iPad and much more!

COMMUNITY PRESENTATION DATES:

- **Opening Presentation & Dinner**

June 13, 2022 @ 5pm- 7pm

- **Open House & Community Lunch**

June 18, 2022 @ 10:30am- 3:30pm

Attend this date for your chance to win a \$100 gift card!

Please go online or call to register!

Can't make the above scheduled events?

You can stop by at the Cultural Centre any time during the workshop is open to ask questions, share ideas, and watch the team create design options.
